**Subject: July 2019 Progress Report
J.H. BAXTER ARLINGTON FACILITY
Docket No. RCRA-10-2001-0086**

Dear Ms. Palumbo:

This letter provides the July 2019 progress report for work under the Administrative Order on Consent (AOC) for the J.H. Baxter & Co. (Baxter) facility during the period from July 15, 2019 to August 14, 2019.

SIGNIFICANT DEVELOPMENTS THIS PERIOD

This section discusses significant developments for the reporting period, including actions performed and any problems encountered relative to work required by the AOC. Significant developments that occurred on this project during this reporting period are outlined below:

- The First Half 2019 Operations and Monitoring Report was submitted to EPA on August 2, 2019.

ANTICIPATED DEVELOPMENTS NEXT PERIOD

This section discusses developments anticipated during the next reporting period, as outlined below:

- Baxter will continue to operate the Pilot Study remediation system (recirculation system) during the next reporting period.
- Third Quarter 2019 sampling will occur prior to next progress report in September or later in the month of September. Baxter is switching analytical laboratory support services from ALS out of Kelso, WA to Eurofins (TestAmerica) out of Seattle, WA. As approved by EPA in June 4, 2019 email, PAHs will not be analyzed during Third Quarter 2019.
- The CMS Version 4 was submitted during the First Quarter 2017. We anticipate comments from EPA.

OTHER INFORMATION

Any other information relevant to the AOC is discussed in this section, including results of any sampling or testing completed within the reporting period.

- Nothing to report this period.

CERTIFICATION

I certify that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to evaluate the information submitted. I certify that the information contained in or accompanying this submittal is true, accurate, and complete. As to those identified portions(s) of this submittal for which I cannot personally verify the accuracy, I certify that this submittal and all attachments were prepared in accordance with procedures designed to assure that qualified personnel properly gathered and evaluated the information submitted.
